So mates get ready to enjoy the new one, BULLET PROOF #3...

Yoh dudes. The second interview is with the number one chessplayer SPITFIRE OF ACTION. Let's start the fire...

DSE : Hello Spitty !

SPT : Yoh Sascha !

DSE : What are your jobs in ACTION ?

SPT : I crack, phreak the most time with my modem, organize ACTION, kick ass in Venlo and organize our originals. That's all.

DSE : When did you begin with your computer career ?

SPT : It was in december in 1984.

DSE : Very early and you must be in a lot of groups these times. Tell our readers in which groups you was...

SPT : All the stress began in 1984 with XADES SOCIETY. After a while I also bought an AMIGA and joined TRISTAR as a modem trader and ori supplier. After TRISTAR, I joined TARKUS TEAM and beam them up, but nowadays they're a bit lazy and also the scene makes no fun. At the time I joined TARKUS TEAM, I also formed ACTION, which is now over 2 years old. I do my work only for ACTION at the moment. That's my life.

DSE : Oh not so much groups, but how long have you been in XADES SOCIETY ?

SPT : I think 4 or 5 years.

DSE : Very long. Now tell me a bit about your number ones.

| | | | |
|-----------------------|------------------------|----------------|-------------------|
| SPT : CRACKER GROUP : | LEGEND | CODING GROUP : | CREST, GRAFITTY |
| CRACKER | : DOC, CRISP, ROCKSTAR | CODER | : CROSSBOW |
| COMPOSER | : VIBRANTS, A-MAN | GFX MAN | : GOTCHA |
| DISCMAG | : MAMBA | PAPERMAG | : CCCP and BP |
| US-GROUP | : EMPIRE | SWAPPER | : AIRWOLF-GERMANY |

DSE : Okay now tell me a bit about you !

| | | | |
|-------------|----------------------|---------|------------------|
| SPT : HIGHT | : 1,91m | MOVIES | : COMEDY, ACTION |
| WEIGHT | : 86kg | DRINK | : WATER, BEER |
| FOOD | : JUGOSL. GRILLPLATE | AGE | : 19.5 YEARS |
| MUSIC | : SOFTPOP | COLOURS | : BLUE, BLACK |

DSE : Thanks for answering, now who are ya best friends in the scene ?

SPT : The dudes from ACTION, all EMPIRE freaks, ROY, LKJ, 3DK and JACK DANIELS, also GHG from OREGON, WOLFGANG and that's all of my real friends.

DSE : Aha, well and is there anyone who drives you crazy ?

SPT : ANTHRAX AND NARC/LEGEND (those suckbrains put my tel. number from me and my mother in their lame crack, fuck you) and the NEI freaks (Yoh MR. BROWN-STONE, suck your dick).

DSE : Eeh, well okay. Now I ask you the same questions as HELLFIRE and please say me immediately what you think.

| | | | |
|-----------------------|--------------|----------|----------------|
| SPT : MR. PRESIDENT : | WHO ? | WAR | : FREEDOM |
| SWAPPING | : WORK | VENLO | : LAME |
| HELLFIRE | : NOTHING | LAMERS | : ANTHRAX+NARC |
| POST | : TOO SLOW | GOD | : VICTIMS |
| DOMINATORS | : NICE GROUP | SPITFIRE | : COOL |

DSE : I know that you have a little company. Can you explain our fans what you do and may be what you wanna reach ?

SPT : Yes, no problem. At first our company named BLUE STONE, but the name was to lame so today BARRACUDA is the new name. In our beginning time we wrote little programmes to earn a bit money. AVANGARDE SOFTWARE sold these games. Nowadays I have other programming teams and they make longer and better programs. Nowadays BOMICO sells our games. We wanna reach that we can earn so much money, that we must not work. That's all.

DSE : I hope the business is goin on, but when you must do so much, is there also time for other things ?

SPT : Not much but when I have spare time I play chess (Ed. We played an our phone chess, but I lost. The next time I will beat you, no way !), go on parties, play pool billard, play flipper and go with girls into the cinema or in a nice restaurant.

DSE : Well, chess is sucking, mhhh did you have any future plans ?

SPT : On the C64 I will beam ACTION more to the number 1 and in my life I will open a comp shop and may be when it goes ok, I will also expand it for PC, AMIGA and MACINTOSH. But these things have a lot of time.

DSE : What did you think about the scene today ?

SPT : The scene is okay, I'm the leader from ACTION, what should I want more ?

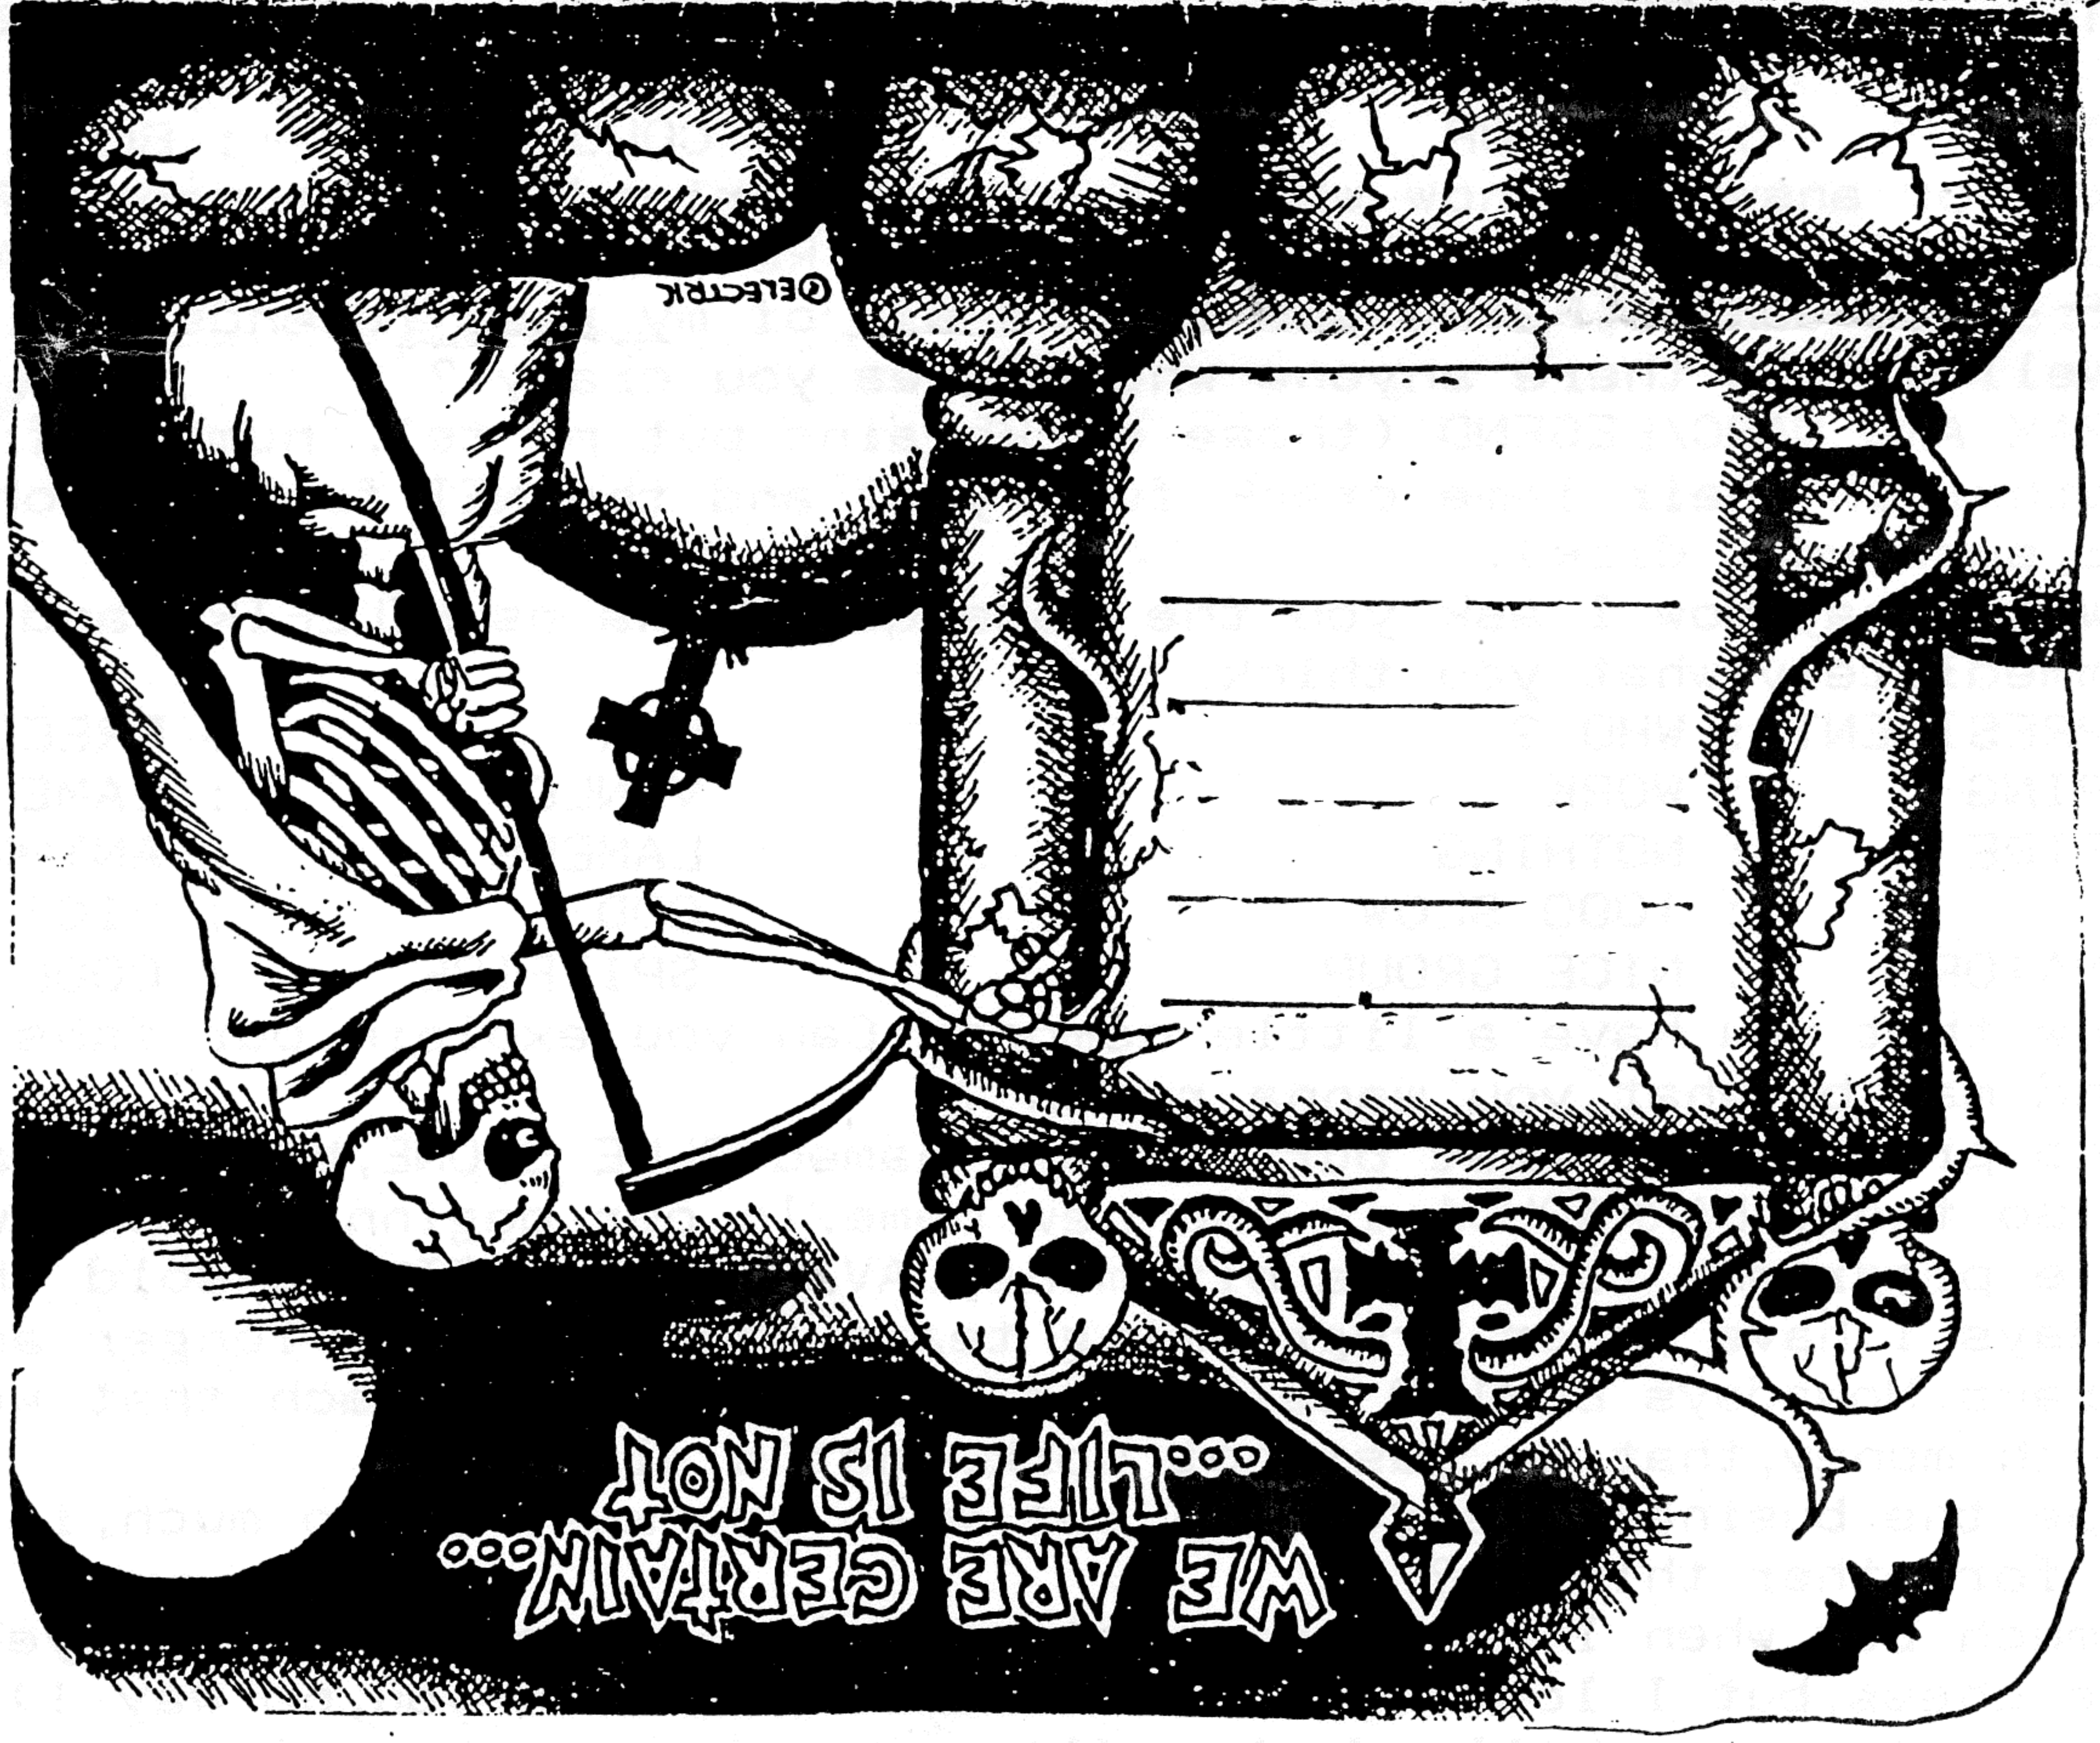

DSE : Thanx for the long call and the shit chess game, see you Thomas...

SPT : Bye DENSE and don't take it so serious. Hehe.

DSE :Hello Guido !

HLF :Yoh Sascha !

DSE :What are your jobs in HYSTERIC ???

HLF :I phreak a bit in my spare time. At the moment I'm busy in finding new ways to cheat the post. Also I'm programming BLUE BOXES and PACKERS. Also I can crack or code, but there are some guyz in our group who makes it better.

DSE :When did you begin with your computer career ?

HLF :I think it was at the beginning of the C64 scene in 1983 !

DSE :Very early and you must be in a lot of groups these times. Tell our readers in which groups you was...

HLF :At first I started with HERACLES than POWERRUN, NEW EDITION, XADES SOCIETY, MYSTIC SHADOWS, EXILE and in 89 I was in 3 groups at the same time (LAZER, PLANTON, SKYLINE). After 89 I went to AMIGA and joined TRISTAR than CLASSIC STORM, but there was too much business (I hate business) so I became the leader of RAZOR 1911. Since 3 months I'm back in the C64 scene, but I'm still active for RAZOR 1911.

DSE :Very interesting, now to some lame questions, who's your number 1 ?

| | | | |
|--------------------|------------------|--------------|-----------------|
| HLF :CRACKER GROUP | : LEGEND | CODING GROUP | : CENSOR DESIGN |
| CRACKER | : EXUSR | CODER | : IVO HERZIG |
| COMPOSER | : JCH and JT | GFX MAN | : GOTCHA |
| DISCMAG | : SHOCK | PAPERMAG | : GPO and BP |
| US-GROUP | : EMPIRE and NEI | SWAPPER | : ? |

DSE :Okay now tell me a bit about you !

| | | | |
|------------|------------------------------|----------|------------------|
| HLF :HIGHT | : 1,75m | MOVIES | : HORROR, KARATE |
| WEIGHT | : 85kg (Ed. You're bright !) | DRINK | : COKE, WHISKEY |
| FOOD | : LASAGNE and SUCHI | BIRTHDAY | : 21.05.1969 |
| MUSIC | : SYNTHESIZER MUSIC | COLOURS | : BLUE, RED |

DSE :Thanks for answering, now who are ya best friends in the scene ?

HLF :C64... All dudes IN HYSTERIC AND INSIDERS (OLLI, TRISTAN, EXUSR), IVO HERZIG and CHRIS HUELSBECK (he slept one weekend by me and demolated my room like a wild bear)...

AMIGA... All dudes in RAZOR 1911 (OPUS, YABBA, SECTOR 9, ONIX, DR. NO)...

DSE :Aha, well and is there anyone who drives you crazy ?

HLF :There's someone in GP, coz he has no plan about what we do and what other groups are doing.

DSE :Yoh, that's standart. Okay I tell you now some words and you say me immediately what you think...

| | | | |
|--------------------|---------------|----------|-------------|
| HLF :MR. PRESIDENT | : FRIEND | WAR | : FREEDOM |
| SWAPPING | : SPEND MONEY | VENLO | : PARTY |
| HELLFIRE | : SATAN | LAMERS | : DEAD |
| POST | : CHEATING | GOD | : NOTHING |
| DOMINATORS | : NICE GROUP | SPITFIRE | : EX-FRIEND |

DSE :I know that you have a board in Germany, can u tell our readers something about it ?

HLF :Why not, the board has the name CRUEL CRIME and there're 178 users on the board. Most of them are from the C64 scene, but also AMIGA and PC dudes are on it. You can reach the board all day and you can connect between 300 and 38400 baud. The board is online since the 19.12.1989. The board is running with 42 Megabyte. If you wanna call than try +49-511-2110635...

DSE :Cool, but when you have so much activities, is there any space for a girlie or something else...

HLF :I've not much time for other things, but when I have a free minute I watch videos, call friends and go out in the discos !

DSE :Do you have any ambitions for the future ?

HLF :Yes, I want to study, may be informatics and may be later I will open a comp shop. Also I will go to the US, as often I can !

DSE :What did you think about the scene today ?

HLF :In the C64 scene there is a big friendship, but the AMIGA scene is totally lame. That's also a reason, why I'm back on the 64 !

DSE :Thanx for the long call and the nice interview. See you man...

HLF :No problem, see you DENSE...

| 07. RCS/BRUTAL I joined my love -BRUTAL- ... | 14. PSEUDOMIST/BRAINBOMBS Antichrist will may be come to Bochholt. Where's my baseball racket ??? |

So, enough with those charts. I hope you like those ones and now goin on with some news, especially for informing you which group plans a new one and which group is not producing their paper anymore...

- SHOCK : Won't be released on paper anymore...
- CCCP : May be soon an issue, but the TRANSCOM guyz splitted up and some left the scene...
- RETARDER: Died after the 1st issue...
- E.P. : Died also after the 1st issue...
- DRILLER : Creations mag died, after Creation splitted up...
- GPO : When the editor ARMITAGE have time, they wanna blow their next ass kicking issue of GPO out...
- PIRATES : Will hopefully blow out their number 11. Hope that SCORPIE had a bit more time...

The group CONTROL is planing a new papermag. Also with photos and these photos will be in colour. Really cool. But 1 issue costs 3 DM or 7 discs. No specialisation...

Also NOICE will do a papermag. SPIKE of NOICE will be the editor of the mag. He want to do a mag which contains out of a lot grafix. For free...

SCORP/FLASH INC. will also make one, with nice gfx and nice styling. No photos, but you can expect that this one will be a great one...

Also EXOTIC will do one but this one will be so lame as the one from SILENCE, which blowed their first issue on the Utrecht party out. The mag from SILENCE is about music (rap, techno). Also no styling and really bad copies...

You can expect 3 new, cool papermags in the future, but I think the mag from CONTROL will be the coolest from those three (I'm really looking forward to the colour-copies). It's totally shit that the 3 old mags GPO, PIRATES and CCCP stopped. I hope that those editors, gfx-men, copy dudes come soon together and release their newest issue. Fuck those shit on disc. Enjoy the ones which are on paper...

These are the charts of the last months from the release of Bullet Proof 2 and today. As this issue is delayed like hell some groups and persons are still in the charts who are now finally out. Next time hopefully more realistic charts which will be just possible if we manage it to blow out the next issue in time.

As IKARI died the points for Ikari and Talent were divided and given to Legend and Talent. Legend would have been Number One without those points, too. Talent would not be in without the points from the coop.

The break from GENESIS PROJECT is over so they will climb next issue again. If Crest won't release their demo soon they will fall from the Nr.1 position. Horizon will finally be out next issue as nobody still votes for them. Snacky is still on #3 in the single cracker charts and I can't believe why so many are still voting for him as he doesn't crack anything.

Let us wait and see what will happen until Bullet Proof 2 will be released.

Fast sume greets to the dudes which supplied us with fotos...
MARC/DDT, AYATOLLAH/TAT (send more from your girlie), COMMANDER/ROLE (megathanx
for the hot ones, you have sumething good by me)...and INXS/Vision.

Also I must blow sume special thanx out to GHG/OREGON for translating the sex
story into English.

Also sume special greets must go to these nice boys...
MAD HACKER/NATO+HAMMERTIME/MIRAGE...for calling, ANS+ASLIVE+SECTOR-D...for the
good teamwork and the reliability, SPITFIRE...for interviewing and for the long
chess games, HELLFIRE...also for interviewing and for givin tips in blue boxing,
SATCOM...for have sume small talk with his nice girlie, also to ALL SPREADERS
